NOTE: Much help in the compilation of this index has been kindly offered me by a valued subscriber, the Rev. Dr. William E. Craig, long of Salina, Kansas, and now also of Twain Harte, California. Dr Craig has fully grasped the process of indexing this volume and his assistance is greatly appreciated. He is not responsible for any omissions in the index which may be found in our joint effort. As the index must be completed before the October number can be sent to the printer, it is not possible for me to be relieved of all four numbers. The October number must always be done by me, as well as the final editing and all the typing. Two other subscribers have also offered the same helpful assistance.
